## **PRESS BOX**

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests must be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box should, to avoid climbing hills, have their cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

## **PRESS COMPLIMENTARIES**

As usual the University extends to the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$.50 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$3.50 except Army and Notre Dame which will be \$4.50.

## **PHOTOGRAPHER'S PASSES**

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

# HISTORY OF THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics which since 1923 has been known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the Research Bureau of Retail Training which has since become the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school

for elementary education; in 1938, the School of Applied Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over \$100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of \$1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of \$4,500,000.

Recently completed is an engineering building (\$1,500,000); George Hubbard Clapp Hall for science research and teaching (\$2,500,000); a building to house the Schools of the Health Profession (\$15,000,000); the Graduate School of Public Health, costing \$5,000,000, will be completed this year.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which it will develop into a comprehensive student living and activities center.

In November 1955 the University was given 176 acres of wooded area. It contains an 18 hole golf course which has been put back into condition, a swimming pool, club house, which will be used for student and faculty meetings and social activities, and a wooded area suitable for recreation and field work in the natural sciences and engineering.

## PREVIEW

Despite the loss of twelve lettermen including seven starters Pitt should be as strong in 1956 as it was in 1955, although the record, due to a harder schedule may not be as good.

The middle of the line, center John Cenci and guards Harold Hunter, Al Bolkovac and Bill Schmitt was swept away by graduation. The loss of Schmitt, rated third in the nation in punting, will be missed doubly. At right end, all Eastern selection John Paluck is missing. Backfield losses were quarterback Pete Neft, leading scorer and ground gainer Lou Cimarolli at right half, and Bobby Grier at fullback.

Returning are twenty-two lettermen, of whom nine had starting duty last fall. This list includes end Joe Walton, tackles Bob Pollock and Herm Canil, quarterback Corny Salvaterra, halfbacks, Dick Bowen, Ray DiPasquale, Corky Cost, and fullbacks Tom Jenkins and Ralph Jelic.

As was the case last year Pitt will be well conditioned, hard-hitting on offense and defense. The passing attack may be improved, at least it appeared that way in the final spring game. The running attack lacks a breakaway runner, but will have power.

Walton, returning at left end, holds Pitt record for TD passes caught in season and in career (8), and should be improved. On the other side will be Bob Rosborough, rugged blocker, good receiver, and a spirited defensive player. Backing this pair will be lettermen Bob Kiesel and Dale Brown, both seniors, and two promising sophomores, Jim Zanos a converted fullback, and Art Gob.

Pollock and Canil, the regular tackles return. Both missed spring drills because of knee operations, giving Jim McCusker, a 241 pound letterman a chance to get in a lot of work. Ron Kissel, another letterman, and Joe Pullekines a promising sophomore complete the list of top candidates at this spot.

Three first string guards graduated, leaving letterman Vince Scorsone as the only one with experience in tough games. Dan Wisniewski, a letterman, is fighting it out at the other guard with Dick Carr, a junior with no experience. John Guzik, another junior who played in 40 minutes last year, and Dick Scherer, starting end in 1954 but out with injuries last fall, are the others in the picture.

Charley Brueckman, who saw 67 minutes of action last fall is the only letterman returning at center. His support will come from Gene Uhlman, a converted fullback, and Jim Sabatini, neither of whom has had a minute of game experience, or Ken Montanari and Tom Salwocki, two sophomores.

When Coray Salvaterra injured his ankle and dropped out of spring drills southpaw Darrell Lewis stepped into the breach, and the two senior lettermen are expected to wage a real battle for starting honors. Bill Kaliden and Peter Prince, two sophomores, and Jim Lenhart and Bill Amos, neither with any real game experience round out the list.

Dick Bowen, despite missing most of spring practice because of an appendectomy, should continue at left half but will be ably supported by Corky Cost, a two letterman and shifty ball carrier. John Flara and Dick Haley, sophomores, and Ambrose Bagamery, a two letterman and an expert converter will be available as well.

Letterman Nick Passodelis returns at right half, and either he or Jim Theodore, a junior, could be the starter, but two year letterman Ray DiPasquale, defensive expert will play as much as either of them. Help will come from sophomore Joe Scisley, too.

Tom Jenkins, a two year letterman missed spring drills, and two letterman, Ralph Ciper and Ralph Jelic, the latter a frequent starter at right half last fall, battled it out during the spring. Sophomores Bob Stark and Fred Riddle looked very promising both defensively and offensively.

## JOHN P. MICHELOSEN, Head Coach

John Michelosen, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubinstein in 1934.

He moved into the varsity quarterback spot in 1935 as a sophomore and retained this job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and included a Rose Bowl victory over Washington among the wins.

He was an assistant backfield coach at his alma mater in 1938, moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught.

He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946.

When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

In his first year Pitt won seven and lost three, ending up in the Sugar Bowl where Georgia Tech won a 7-0 victory.

## **ASSISTANT COACHES**

### **WALTER CUMMINS**

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He moved to Michelosen's staff as center coach.

### **VICTOR FUSIA**

Pitt's backfield coach Vic Fusia, is a Western Pennsylvanian, who came back to Pittsburgh via Brown University.

Fusia played under Elmer Carroll at Wilkesburg High School, in 1930, 1931 and 1932, entered Manhattan College in the fall of 1934, and played quarterback under Chick Meeham in 1935, 1936, and 1937.

In his senior year he won All-Eastern and All-American recognition, played with the Eastern All-Stars, and was a member of the American team which toured France, a team on which his present boss was a team mate.

He was also on the boxing, basketball and track squads at Manhattan.

After graduation Fusia coached St. Barnards School in New York, then went into the Navy, where he served four years coming out as a Lieutenant.

He returned to Western Pennsylvania to coach at Rankin High School, where his teams lost only one league game in two years.

From Rankin he went to Indiana High School, and his 1950 team there was undefeated.

Al Kelley took him with him when he went to Brown in 1951 as offensive and defensive backfield coach, and he came to Pitt in 1955.

## **ERNIE HEFFERLE**

Ernie Hefferle joined the Pitt staff in the summer of 1951 as freshman coach, but when the freshman rule was waived for that season he moved into the varsity picture.

Hefferle, a native of Herminie, played his college football at Duquesne, where he caught a pass that won the Orange Bowl game from Mississippi State in 1937.

He coached at South Huntingdon Township from 1937 through 1940, where his teams won 25, lost 10, and tied 4.

He took a three-year leave of absence in 1942 to serve in the Navy, coming out as a Lieutenant.

Coached at Tarentum from 1946 through 1950.

He has a Masters degree from Pitt, and is past president of the Western Pennsylvania Football Coaches Association.

## **STEVE PETRO**

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

## ROBERT TIMMONS

End Coach Bob Timmons is serving his tenth year on the Pitt coaching staff. A native of Pittsburgh, he started at Allegheny High School, moved on to Pitt for a year of freshman ball under Dr. Skip Gougler, then spent three years under Jock Sutherland, pairing with Joe Skladany at the ends in 1933.

In April of 1953 he was named to succeed Dr. H. C. Carlson as varsity basketball coach.

He graduated from Pitt in June 1934 and received his Masters degree in 1938.

In 1934 and 1935 he coached high school football and basketball at Smithfield, Ohio, and in 1936 moved to New Brighton High School as football and basketball coach where his high school record showed 29 wins against 12 losses.

In 1939 he was named head coach at Indiana State Teachers and won 5 and lost 3. The following season he won 7 and tied 1, winning the State Teachers College championship.

He entered the Navy in 1943, and that fall played at Iowa Pre-Flight under Don Faurot.

He served in the Pacific in 1944 and 1945 as Aviation Engineering Officer on an escort carrier and also had shore based tours with a squadron, finishing as a Lieutenant.

He returned to Indiana State after leaving the service. His complete record there was 27 wins against 12 losses.

## JACK WILEY

Line Coach Jack Wiley was for four years head coach at Waynesburg College.

The 35 year old Wiley, one of Waynesburg's greats, was a protege of the late Frank Wolf at the Greene County College from 1937 through 1941, and had five remarkable years as pro football's lightest tackle under Jock Sutherland and Michelosen with the Pittsburgh Steelers. He weighed only 205 pounds.

In between these two periods were four years in the Army as Infantry officer, with the 28th Infantry Division, enlisting as a private and coming out a captain.

Wiley played his high school football at Richill Twp.

He took over the head coaching job at Waynesburg in 1951 and didn't have a losing season. He won six and lost three his first year, jumped it to seven wins against one loss in 1952, had four wins and three losses in 1953, and in 1954 lost two, won five, and tied one.

Among the nine games his teams lost in the four years were three to West Virginia, and one to VPI (last year), both major schools.

Football until 1955 was an avocation with him, as he has operated his folk's farm near Waynesburg, and also an insurance business.

## A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the present U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

On the All-American rolls since Sutherland were Ralph Fife, a guard in 1941, and Bernie Barkouskie, guard in 1949, Joe Schmidt at guard, and Eldred Kraemer at tackle in 1952.

# THE ALL-AMERICAN ROSTER

The following names are taken from the NCAA Guide and consists of players who were first team selections on one or more of the All-American teams of the last 65 years selected for the national audience and which receive nation-wide circulation such as the teams of Walter Camp, Grantland Rice, Casper Whitney, INS, AP, UP, NANA, NEA, the Football Writers, the Football Coaches Association, the All-America Board, Newsweek, and Sporting News.

They represent one of the largest single groups of the 1,171 All-American college football players of all time.

## PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

## PITT ALL-TIME RECORDS

These figures are compiled from official statistical records of each game from 1931 through 1953. Before 1931 they are taken from play by play accounts of game. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

## THESE PANTHERS RAMBLED

Here are the top Pitt ground gainers and scorers since 1914. They traveled far in picking yards from scrimmage, passing, kick returns, and interceptions, and they put a lot of markers on the Pitt side of the scoreboard. The top two in each department are listed.

# THE UNIVERSITY OF PITTSBURGH

## 120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but someday will be doctors, lawyers, engineers, dentists, teachers, etc. Nor is any member of the Band compensated in any way for his efforts in its behalf, for no scholarships of any kind are available for band work. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under the direction of Mr. Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Mr. Ben E. Benack, the band has reached its present level of excellence that has brought the acclaim of bandsmen, sportswriters, commentators and fans who have named it one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute, when appropriate.

A matched gold set of instruments is used by the Band. The blue and gold uniforms with white cross belts, white spats and gloves complement these instruments to create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are a number of other men who attend to a host of duties. A Graduate Staff of seven attend to the administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading of this equipment on trips. With this help the Band moves from place to place with a minimum of confusion.

Prior to the beginning of the fall semester, these 120 bandsmen, directors, librarians, drum majors and operations crew move into a camp forty miles outside of Pittsburgh, just outside Zelienople, Pennsylvania, for ten days of intensive training. They spend fourteen hours a day drilling, learning formations, practicing music, and just plain working hard. At the end of this period the group of men who arrived at camp as individuals return to perform for the football season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.

## **TO FOOTBALL WRITERS AND COMMENTATORS:**

This booklet has been made up for the convenience of those writers and commentators who sometime this fall will be assigned to a Pitt football game. We have tried to make it as all inclusive as possible, but there will be items which you want, and which we have omitted. In such case, or if you want special information, pictures, mats, press accommodations, or anything else in the way of service, please write or call us.
